This exemption is for veterans who meet requirement of active duty service during dates established by Connecticut statutes and the income requirements of subdivision (19) of section 12-81 of Connecticut statutes in accordance with Section 12-81f. The qualifying income limits are \$45,000 for single and married veterans. The qualifying income includes all sources of income including social security. Any applicant will need to bring their 2011 federal income tax return and social security statement at the time of application. At the current mill rate of 32.64 the additional veteran's exemptions of \$8,000 amounts to a tax savings of \$261.12.

This additional veteran's exemption is effective on the Grand List of October 1, 2012. This exemption will impact tax bills of eligible veterans with a billing date of July 1, 2013.
